**The Maturing Workforce
Is Your Strategy Ready for the Impact
of Your Aging Workforce?**

A CPI Webinar

**October 7, 2010 (Thursday)
1:00 – 2:00 pm Central Standard Time**

Join webinar sponsors

Career Partners International and **Career Partners International Twin Cities**
to learn about mature workforce trends, issues, strategic planning
and best practices during this one-hour, interactive webinar event.

A panel of recognized mature workforce experts
will join us to educate you on trends and provide pointers
to consider in your organization's mature workforce strategy.
Results of the **2010 CPI Mature Workforce Survey** will be disclosed
to allow participants to compare and contrast current thinking
about mature workers and utilization plans.

Please add this event to your calendar now.

More details on panelists, event registration, and login instructions will follow via email!
